

Why the vision of Vendor for your washroom?

- 1. Look:**
 - Stylish, modern and elegant.
 - Representative.
- 2. Quality of the material:**
 - Dispensers are made from ABS plastic (carbumpers and Samsonite suitcases).
 - Strong and robust.
 - Towel paper with a polyester net for extra strength.
- 3. Easy cleaning:**
 - All products are wallmounted, inclusive the brushes!
 - Machines with smooth surface.
- 4. Continuous system:**
 - Topping up instead of replacing.
 - Always available, no breakdowns.
 - Easy refilled during cleaning rounds.
- 5. Compact:**
 - No need for a wastebin or used (cotton) towel.
 - Big capacity, large number of handdryings.
 - Toilettrolls: small rolls, 150m. each.
 - Towels: square cassettes.
 - Elegant design.
- 6. Cost effective:**
 - High-capacity filling.
 - Consumption can be regulated.
 - Consumables are paid per box used, no surprises with extra payments.
 - Closed machines: no chance to take away a toilettroll for private use
 - Digital airrefresher can be instituted (only works during opening restaurant,bar. office...)
- 7. Hygienic:**
 - High absorption capacity, no dirty cotton rolls.
 - Clean and dirty cassettes are kept separate.
 - Paper is used only once and fully recycable.
- 8. Easy:**
 - Window for checking refills.
 - Cleaning of the floor.
- 9. Reliable:**
 - One supplier, PortiBroBa, for all your products.
 - 24 hours, accurate service.
 - Professional installation.

In short: Vendor: **Vision on washroom hygiene: the answer on your questions.**
For you and especially for your customers!
